Biographical questions. Please use complete sentences and provide details—tell us who you are! Please limit your answers to 100 words or fewer per question.

- Tell us what you'll be doing at Salt River Schools (and what attracted you to the job)?
- What were you doing before coming to Salt River Schools and how will that experience be helpful to you in this new position?
- Now for something fun. Choose one of the following questions to answer:
 - What was your favorite subject to learn K-12 and *why*?
 - If you could have one superpower, what would it be and *why*?
 - Describe one of your favorite hobbies, how you got involved with it and why it's important to you.
- Anything else to share (about yourself, interests, the new job, educational experience, etc.)?

Please submit your answers, as well as an image* of yourself, to your Human Resources representative. Thank you!

* Image Guidelines

- Images should be of you only.
- Images should be clear (not blurry or pixelated) show you from the chest and up (called a "head shot").
- Images should look professional (no logos visible on your shirt; no sunglasses/hats—unless worn for medical/cultural/religious/other purposes; and no face-altering filters, à la Instagram/Snapchat).
- If you do not submit an image, your Salt River Schools badge photo will be used.

SAMPLE WELCOME EMAIL SENT TO ALL STAFF:

Please welcome Diana Prince to the Salt River Schools family as the new Superheroes Program Coordinator!

Even though she's busy familiarizing herself with the new role, new coworkers and new building, Diana graciously answered some questions about herself for a mini-intro below. Please read, then take some time to stop by her temporary office (the invisible jet next to the Education Board room) and say hello!

Diana Prince, Superheroes Program Coordinator, Diana.Prince@srpmic-ed.org, 480-362-0000

Tell us what you'll be doing at Salt River Schools? I will help students, staff and families recognize, develop and hone their innate talents of resiliency, compassion and strength. Everyone has something to offer this world, and I'm so excited to show others how amazing we are at Salt River Schools. I will also protect Division stakeholders from evil, such as wayward Greek mythology.

What were you doing before coming to Salt River Schools? I've been everything from an Army nurse and military intelligence officer, to an astronaut and even worked for the United Nations! I'm also super-great with languages and I can't wait to learn O'odham and Piipaash. I really just enjoy helping people and promoting peace and equality for all humanity, which of course starts with our young people.

So you're really into pop culture? Comic books, television and movies with a strong female lead give me life.

What else should you like to share? Ask me about my lasso!
