OIE RISE GRANT

Grant Goals

- 1) Students and staff benefit from **programs and opportunities** that focus on academic preparation for college, career, and community leadership, for identity development, and for holistic well-being.
- 2) Funded projects act as **“bright spots”** for future investment by the ADE Office of Indian Education to expand and/or replicate successful programs based on community needs and desires in Indigenous Education.

Funded programs will participate in a three-year process

- **Year 1:** Stakeholders and community engagement, plan development
- **Year 2:** Implementation plan
- **Year 3:** Continued plan implementation while building sustainable practices and programs

Salt River Schools RISE application

- What does the Community want to see to transform the education experience of our Native American students?
